

INTUIT Dance! Phase Four Revitalization studio updates and guidelines

Installed a new air purifier with HEPA filter.

Installed 24 more cubbies for smooth transitions and social distancing between classes. Assign cubbies. Scheduled 15 minutes between classes for cleaning.

Added more classes for smaller class size to ensure social distancing. Created floor markings to designate 6ft social distancing. Will choreograph smooth transitions during classes to provide for across the floor work.

Require masks and hand washing upon entering.

Instruct students on all studio procedures and CDC guidelines.

Require students to bring their own materials. Give younger students dance packets with all required supplies for the session. No sharing materials.

Provide Zoom accommodations per parent request. Parents who wish may also watch class on Zoom to ensure guidelines are being followed.

Create a positive and safe classroom atmosphere for all students.
